Jeffrey Don
Founder & CEO

Jeffrey Don is a licensed United States attorney with over 25 years experience doing business in Asia where he has formulated numerous strategic business plans for western and Asian/Chinese companies seeking to enter each other's markets. In the 1980's his then law firm, under his direction as lead attorney, handled the debt restructure financing package of approximately USD150 million for a global Hong Kong/Chinese textile company. In the 1990's he was the architect of financing packages for various hi-tech companies with the investment amounts ranging from USD2 to 10 million. In the later 1990's to early 2000's, he lead the team that developed the China telecommunications market entry strategy for two Top Ten Fortune 500 companies, a U.S. telecommunications company, and a U.S. computer company where the financing package involved over USD100 million. He is Phi Beta Kappa and summa cum laude graduate in economics from the University of California at Davis and a graduate of the University of Southern California Law School. He and his family have lived in Beijing, China since 2001.

Ken Mizuki, COO

Ken Mizuki has nearly 40 years of experience in project management and business development. Prior to being COO, he was C3's Executive VP of Business Development from 2017 to 2019. He also was C3's VP of Business Development from 2002 to 2003, living in Beijing, China where he was a member of the executive team that developed the China telecommunications market entry strategy for two top ten Fortune 500 companies with a financing package of over USD100 million.

Additionally, Mr. Mizuki's employment includes global corporations such as Motorola and Anritsu, as well as, several start-up companies, one of which IPO'd successfully on NASDAQ and another which he co-founded. He has been responsible for creating new business and managing projects critical for global leaders such as Apple, Boeing, Cisco, Google, IBM, and Intel. These projects contributed to client product sales each in the USD 1 billion+ range.

Mr. Mizuki graduated with degrees in Electrical Engineering and Engineering Management from the University of Missouri Science and Technology (S&T). He is currently based in the San Francisco Bay Area – Silicon Valley.
