Experienced, Senior Team – Founding Partners

Jeffrey Don
Founder & CEO

Jeffrey Don is a licensed United States attorney with over 25 years experience doing business in Asia where he has formulated numerous strategic business plans for western and Asian/Chinese companies seeking to enter each other's markets. In the 1980's his then law firm, under his direction as lead attorney, handled the debt restructure financing package of approximately USD150 million for a global Hong Kong/Chinese textile company. In the 1990's he was the architect of financing packages for various hi-tech companies with the investment amounts ranging from USD2 to 10 million. In the later 1990's to early 2000's, he lead the team that developed the China telecommunications market entry strategy for two Top Ten Fortune 500 companies, a U.S. telecommunications company, and a U.S. computer company where the financing package involved over USD100 million. He is Phi Beta Kappa and summa cum laude graduate in economics from the University of California at Davis and a graduate of the University of Southern California Law School. He and his family have lived in Beijing, China since 2001.

Experienced Senior Management Team

Becky Zhang Founder & Executive VP of Government Relations

Becky Zhang is the Executive VP of Governmental Relations of C3. In the late 1990's to 2001, she was VP of Governmental Affairs for Telecom Sino Limited, a company that developed the China telecommunications market entry strategy for two Top Ten Fortune 500 U.S. companies. In the late 1980's to mid 1990's, she was the Manager in the Import and Export Department of China General Electric Co. and Manager in the Planning Department of the Former Ministry of Machinery Industry for the China Central Government. She has been involved in hundreds of international business transactions involving Chinese companies and has extensive experience dealing with both Chinese regulatory and government agencies at all levels and has an extensive network of government relationships allowing for ease in transacting governmental regulatory affairs. She is a Graduate of Beijing University in Business Administration

Experienced Senior Management Team
